## Introduction

Resolution Project is a non-profit organization dedicated to empowering young leaders to make a positive impact in their communities through social entrepreneurship. We support and mentor young innovators as they develop and implement solutions to pressing social issues.

The photographs taken as part of this project will be used to showcase the work of our young leaders, document our events and programs, and promote Resolution Project's mission. These images may appear in our promotional materials, website, social media channels, annual reports, grant applications, and other communications related to our organization's activities.
